COMPANY PROFILE

Ninghai Kaiteli Electronic Appliance Co.,Ltd.,founded in 2007,is located at Meilin Street,Ninghai County,Ningbo,Zhejiang,enjoying convenient transportation, with an area of over 8000 m2 of construction and total area of over 10000 m2. There are more than 150 engineers,technicians and workers in our company. Our company integrates R&D,design,productinon,sale and service into a

whole.Our leading products vacuum cleaner have passed the certifications of CB, SASO, CE, GS, EMC, RoHS and ETL,and been exported to Middle East, Europe and America,with a very good reputation.As an ISO9001:2000 and ISO14001:2004 certified company,we are meeting customer demands based on our scientific management,standardized brand operation and deep humanity outlook.In the policy of "Credit Supreme,Quality First",we sincerely hope to do business with you for common future brilliance.

WET & DRY VACUUM CLEANER

CLEAN SOLID PARTICULATE AND LIQUID EASILY

-  Dry And Wet Three
-  Reinforced Barrel Body
-  Safety Protection Design
-  Filter System
-  Quiet Technology
-  Strong Suction

WET & DRY VACUUM CLEANER K-602F

DESCRIPTION

- Clean solid particulate and liquid easily
- Multi filtration system
- High performance motor provides maximum power
- With special air-blowing function
- Airflow control on handle
- Places for accessory and power cord storage
- 4 swivel castors provide convenient multi-direction maneuverability
- Water-drain hole and big rear wheels are optional

CYLINDER VACUUM CLEANER

- Dry And Wet Three
- Reinforced Barrel Body
- Filter System
- Quiet Technology
- Safety Protection Design
- Strong Suction

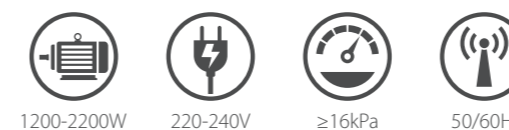

CYLINDER VACUUM CLEANER

K-403-1

DESCRIPTION

- Powerful suction for cleaning
- Multi filtration system
- Dust full indicator
- Wind-blow function
- Iron tank
- Airflow control on handle
- Big capacity:18L/21L/25L
- Parking position for easy use and space saving

OPTIONAL ACCESSORIES

STANDARD ACCESSORIES

Plastic tubes Floor brush Combined brush Inlet air sponge Non-woven bag Flexible hose Big rear wheels Small wheels
